PARENTAL RELEASE (If applicable)

While the staff and administration at The Paul Center makes every effort to insure the safety of volunteers, injury to a volunteer by a student is possible. Usually any injuries are caused by scratches or bites. It is important that tetanus shots be current in the event an injury should occur. Parents of volunteers are notified if medical attention is necessary. Volunteering at The Paul Center can be a very satisfying and rewarding experience.

I have read this application and give permission for my child to volunteer at The Paul Center for Learning and Recreation, Inc.
